Obligations For All Members And Parents Of Youth Members

Keeping an association running and affordable is not possible with only volunteers. That is why members and parents of youth members are obliged to carry out tasks such as jury and bar duty.

Information about jury tasks assigned to members are communicated in a timely manner on our website and via the NBB app (Sportlink)

- Duties as Parents/ guardians

The Club's policy is that parents/ guardians carry out bar duty for youth members until they reach the age of 16 years. You will be required to manage the bar for a 2-hour period each season on either a Saturday or Sunday before or after your child's match. The schedule for bar duty can be found on the BS Leiden website.

Parents who do not wish to take part in the bar duty can "buy off" this obligation annually. The payment is then used to reward older youth members who will then take over the bar duty on your behalf.

- Code of Conduct

BS Leiden believes it is very important that we all create a safe and pleasant environment for training and competitions and that we treat each other with respect. This applies to the mutual relationship between players, coaches, opponents, referees, jury, parents and other stakeholders. In other words, anyone and everyone that we come in contact with while playing a nice game of basketball.

To be able to steer this in the right direction, we at BS Leiden have developed a number of rules to guide our conduct and to direct how we interact with each other. These can be found on our website at www.bsleiden.nl under regulations. You can also find information on how to contact our confidential advisers there.

- Timely payment of membership fee

Immediately after your registration has been processed, you will receive an invoice from the treasurer. If you are unable to pay within the specified period of time, please contact the treasurer at penningmeester@bsleiden.nl to agree on a payment plan.

Failure to pay the membership fee at all, or within the specified time period, will lead to your child being excluded from trainings and matches.

At www.jeugdfondssportencultuur.nl you can check if you qualify for a subsidy to assist with paying the fee.
